CCI student discounted price for all Unrestricted Construction Supervisor required books is \$475.

CCI student discounted price for all Restricted Construction Supervisor required books is \$249.

Prices are firm until February 29, 2024.

We recommend loose leaf, three ring binder codebooks, because we place materials into the books to make them “exam ready”, and “exam ready” is the best.

Students with soft bound books can make them into three-ring binder books easily, so that the books can be made “exam ready”.

This is done by shaving off the soft binder spine and drilling three holes into the book with a 3/8” paddle bit to accept a three-ring binder. Many Staples stores can do it, if you prefer not to do so yourself. Call us for more information.
